

**MICHIGAN DEPARTMENT OF CIVIL SERVICE
JOB SPECIFICATION**

MUSIC THERAPIST

JOB DESCRIPTION

Employees in this job complete and oversee a variety of professional assignments to provide music therapeutic treatment to habilitate or rehabilitate patients in state mental health, correctional, or youth residential facilities, veteran's hospitals, or schools for the blind or deaf; or to provide rehabilitative services to patients in a community setting.

There are three classifications in this job.

Position Code Title – Music Therapist-E

Music Therapist 9

This is the entry level. As a trainee, the employee carries out a range of professional music therapist assignments while learning the methods of the work.

Music Therapist 10

This is the intermediate level. The employee performs an expanding range of professional music therapist assignments in a developing capacity.

Music Therapist P11

This is the experienced level. The employee performs a full range of professional music therapist assignments in a full functioning capacity. Considerable independent judgement is used to make decisions in carrying out assignments that have significant impact on services or programs. Guidelines may be available, but require adaptation or interpretation to determine appropriate courses of action.

NOTE: Employees generally progress through this series to the experienced-level based on satisfactory performance and possession of the required experience.

JOB DUTIES

NOTE: The job duties listed are typical examples of the work performed by positions in this job classification. Not all duties assigned to every position are included, nor is it expected that all positions will be assigned every duty.
